Directions: **From points North (Boston)**

- Take Interstate Rt. 95 South to exit 5 - Rt. 152.
- Turn LEFT at the end of the exit and proceed over the overpass to the next traffic light.
- Turn RIGHT onto Rt. 152 (North Main Street).
- Continue for approximately 1.4 miles until you come to a traffic light (a CVS Drug Store will be on your left).
- Turn RIGHT onto Elizabeth Street.
- At the stop sign turn RIGHT onto Water Street and proceed down the hill.
- 64 Water Street will be on your left (the tan building with green trim).
- The parking lot is on the right, across the street from the building.
- Mechanology's entrance is down the left side of the building along the wooden fence.

**From points South (Providence, Rhode Island)**

- Take Interstate Rt. 95 North to Exit 3 in Massachusetts and bear right onto Rt. 123.
- Immediately past the Shell Gas Station turn LEFT onto Lathrop Drive.
- Proceed approximately 1.6 miles (Lathrop Drive will turn into West Street along the way) and turn RIGHT onto Water Street. (The National Grid/Massachusetts Electric Facility is on the left at this intersection.)
- After crossing the bridge you will come to 64 Water Street (the tan building with green trim on the right).
- The parking lot is on the left, across the street from the building.
- Mechanology's entrance is down the left side of the building along the wooden fence.
